

## **Erie County Board of Elections**

Looking For: Election Inspectors

One of the most important duties here at the Board of Elections is to provide efficient service for the public on Primary & Election Days. This takes up to 3400 Election Inspectors on Election Days! We are chronically short whether Republican or Democrat.

Erie County needs Election Day Inspectors throughout the County.

Requirements are:

- 1). Be registered to vote
- 2). Live in Erie County
- 3). Be a Republican or a Democrat.

There is one 3 hour training class. You are paid \$25 for the class and \$170/day for each Primary or Election you work (5:30a.m to 9:30p.m.).
