DAP

Requirements

Apply today. DAP only accepts the first 25 qualified students!

STAR Program, Prerequisites, + Testing:

Start Orientation and STAR Program is an 8-day academic series to prepare you for TABE placement testing. During the Start orientation, we will guide you through your UBEOC career, introduce your counselor, and provide you with strategies for successful completion of your program. The STAR Program will provide math and reading skills review for the TABE placement test which will be given on the final day of the program.

Testing- During TABE you will be tested on your math and reading skills. Applicants must score 9.1 in reading and 8.0 in math on the TABE test to be eligible for the DAP classes. A typing test score of 25 words per minute is also required for eligibility.

Prerequisites- students are required to interview with Allied Health faculty and provide a resume and two letters of recommendation. Students must also complete a 3-hour Infection Control seminar.

Immunization Records- present an up-to-date immunization form prior to the start of classes

Dress + Appearance- Uniform scrubs and comfortable sneakers are required. Facial piercings must be removed, nails must be kept short (fake nails and polish are prohibited).
