Some positive comments from current and former employees of this company (taken from [glassdoor.com](https://www.glassdoor.com)):

- Good benefits, Great management, and competitive pay
- At every level of this company you will find the finest people working in our industry.
- **Best Company I've worked for.**
- This is a great company to work for. It's a family business that treats associates with respect and integrity and those values are expected at all levels to be upheld. All associates are treated like a valued resource, not a renewable resource. The company has a great variety of products to offer customers. The customer is at the top of the pyramid, no question about that.
