

United Way of Buffalo & Erie County Loaned Executive Program

An exceptional opportunity to gain experience with one of the most recognized philanthropic non-profit organizations in the community. The ***Loaned Executive Program*** is a 12-week paid professional development experience where you will sharpen and develop your skills in leadership, teamwork, public speaking, sales, servant leadership, customer service and relationship management.

In addition, you will also learn about the community and the health and human service system, all in a team-oriented environment. You will gain valuable fundraising experience while creating a network of professional contacts.

This position will work in partnership with an Account Executive on the Resource Development Team and be assigned a set number of corporate campaign accounts to manage. Upon completion of the program, you will not only have increased your professional skills, but will also have made a difference for our community.

Eligibility

- Able to participate for 12 weeks on a part-time basis, beginning August 27, 2018
- Self-motivated and results-driven
- Ability to initiate and cultivate relationships
- Commitment to community service
- Must have valid driver license and reliable automobile
- Must attend training from August 27th -29th. Work hours will be flexible after training, 20 hours per week.
